INTRODUCTION OF THE COLLEGE

The MIER College of Education (Autonomous) happens to be a flagship institution of the Model Institute of Education and Research (MIER) Group with an educational legacy spanning over 86 years. Setup in 1936 as the first private educational enterprise in the then State of Jammu & Kashmir, the MIER group today serves the educational needs of over 3500 learners from the pre-school to the M.Phil. level offering courses in education, engineering and management.

The MIER College of Education was setup in 1981, as the first private College of education in Jammu province. The College stands approved by the Government of Jammu and Kashmir and is permanently affiliated to the University of Jammu. The College has established its reputation as a pioneer institution offering quality-based student-centric programmes, introducing significant pedagogic innovations, promoting experimentation, championing the use of ICT and producing high-quality teachers. Till date, over 8500 teachers have passed through the portals of the institute and are actively engaged in the development of society and nation building.

The College was the first in J&K State to acquire the ISO 9001: 2000 and 2008 certificates and is accredited thrice with 'A' and 'A+' Grade by the National Assessment and Accreditation Council (NAAC) in the year 2006 (with Score of 87.25 out of 100), 2012 (with CGPA 3.54 out of 4) and 2017 (with CGPA of 3.64 out of 4). The College is also the first College of Education in the private sector to have been conferred with the "Autonomous Status" by the UGC and the University of Jammu in the year 2014 for a period of five years w.e.f. the academic year 2014-15 to 2019-2020. The autonomous status was further extended for another ten years i.e., till 2029-30. The College was also conferred the prestigious status of "College with Potential for Excellence" by the UGC in the year 2016.

MIER College of Education emphasizes pursuance of high ideals namely excellence in teaching and learning, high achievement level and personality development of its pupils, self-reliance, innovation and research, use of ICT, besides ensuring optimum professional growth.

Kantosh *Saini* *Sh*
Abant ³

Vision:

To serve the cause of education and, to that end, prepare high quality teachers in different fields of education, teacher educators, specialists and professionals equipped with necessary knowledge, abilities and skills to effectively operate in an evolving global environment by integrating research, emerging pedagogies and technologies, creativity, values, ethics and professional practices.

Mission:

To ensure that MIER College of Education (Autonomous) and its associated centres/departments function as leading institutions for preparing high quality specialists and professionals in the field of education and allied areas by providing facilities and institutional environment congruent with global trends based on excellence, experimentation, research, self-reliance, collaboration, extension and service to the society.

Purpose/Objectives:

- To impart high quality education, training and specialized knowledge to different target groups including teacher trainees, educators, research scholars and other key change agents to develop their competencies in accordance with the best emerging trends on the principles of autonomy, excellence, self-sufficiency, collaboration, innovation and service to the society.
- To promote and develop multifaceted abilities, skills, capacities and values so as to promote optimal human resource development among individuals by way of arranging special programmes and thereby open new avenues of employment and professional development.
- To evolve and adopt modern, innovative and diverse strategies imparting and promoting high quality learning, training, new pedagogies and technologies in diverse fields of education and other related disciplines.
- To promote and undertake research and publications, using multi-media and also to participate in collaborative programmes with other institutions and agencies for achieving desirable goals.
- To provide consultancy services on resource generating basis to the institutions, agencies and individuals in those areas in which expertise is available in the institution and to establish linkages with institutions having similar goals.
- To offer facilities and programmes for specialization, continuing education and open learning, extension education, special education, women empowerment, environment and moral education and research etc. in diverse areas including interdisciplinary programmes using

Kantosh *Sankar* *Sho*
Abant

formal and non-formal techniques to benefit different segments of society include vulnerable and neglected sections.

- To set up specialized units / centres, training centres etc. to extend education, training and research programmes/ activities.

Values:

The College endeavours to inculcate the following values among its students through the various academic programmes offered under its auspices.

Truth and Honesty, Punctuality and Sense of Responsibility, Regularity, Hard work and Discipline, Patriotism, Secularism, Communal Harmony and National Integration, Democracy and International Understanding, Tolerance, Cooperation, Respect for people's rights and Legitimate Authority, Sportsmanship, Character Building, Human Dignity and service to the society. This is adequately reflected in the College "Mantra" for faculty and students which is displayed at prominent places in the staff rooms and classrooms.

College Governance

The College has constituted the following statutory bodies as per the UGC Regulations for Autonomous Colleges for proper management of academic, financial and general administrative affairs. These have stipulated representation of experts representing the J&K UT Govt., University of Jammu, University Grants Commission (UGC) and experts from other institutions/universities.

- Governing Body
- Academic Council
- Board of Studies
- Finance Committee

Following Committees have also been constituted for the smooth day to day functioning of the College:

- Planning and Evaluation Committee
- Academic Committee
- Examination and Evaluation Committee
- Admission Committee
- Library Committee
- Students Support Committee
- Co-Curricular Activities Committee
- Alumni & Placement Committee
- Infrastructure & Maintenance Committee
- Grievance Redressal Committee
- Anti-Ragging Committee
- Committee Against Sexual Harassment (Cash)

One of the highlights of the College is the functioning of four specialised centres to facilitate the holistic growth and development of its major stakeholders namely:

- Internal Quality Assurance Cell (IQAC)
- Centre for Educational Technology (CET)
- Centre for Educational Research (CER)
- Smt. Shanti Gupta Centre for Women Studies (SSGCWS)

Besides the above-mentioned centres, the following units have also been constituted to carry out extension and outreach activities:

- Extension Unit
- NSS Unit
- Environment Unit

TEACHING-LEARNING PROCESS

• Individual Projects

In PG Department of the College, many individual projects are assigned to the students as a part of their assessment and evaluation. The students are required to maintain a record of all the activities taken up as part of the project work in the form of a Reflective Journal. The Reflective Journal is evaluated by a committee constituted by the Principal of the College. The committee evaluates the work done by the students regarding internship related activities, action research, administration of a psychological test and Dissertation and Project Work along with the preparation of its report.

These activities are as follows:

- **Dissertation:** The Dissertation is compulsory for every student of M.Ed., M.A. (Education) and M.Phil. (Education) Programmes. The students are required to submit synopsis of the research proposal for dissertation under the guidance of the concerned supervisor of the College at the end of Semester and the assigned dissertation work is to be evaluated by the Research Committee constituted for the purpose. During this period, they undertake the following activities related to the writing of their dissertation: Review of related literature, Development / Selection of tools, and Collection of data. The written work duly certified by the supervisor is submitted by the students at the end of the assigned Semester. The students submit a copy of the Dissertation along with a CD and Research Perspectives before the end of the Last Semester for the evaluation by internal supervisor/committee and external examiner.
- **E-Learning Project:** Students of M.A. (Education) develop a small one-week MOOC in Moodle/Canvas-Instructure as a part of their sessional work in M.A. (Education) third semester.
- **Project / Practical Work:** In Practical Work the students prepare a questionnaire or a rating scale, write the description of a list of at least two intelligence tests with their introduction, scoring procedure, indices of reliability and validity, write the description of at least two adjustment inventories or personality tests/inventories with their introduction, scoring procedure, indices of reliability and validity, preparation of references for books, research journals, theses, dissertation, encyclopaedia, newspapers and Government Gazette as per APA style, 6th Edition and Write an article for print media.

- **Action Research:** The projects are given to the students in which orientation regarding the concept, need, importance, steps, how to collect and analyse the data is given by the research experts. Students identify and select the topic of their choice and they collect data followed by analysis of the data and then submit the report to their group supervisor. The action research project is done by the students individually under the supervision of their group supervisor.
- **Psychological Tests:** This project is given to the students as a part of their sessional work in which orientation regarding the concept and administration is given by the experts. Students administer psychological test on stress, personality, intelligence etc. on their peer groups. After administration students write the report and submit it. The whole project is done by the students individually under the supervision of their group supervisors.

In the UG department, the committee evaluates the work done by the student-teachers with regard to internship related activities, action research and administration of a psychological test and IEP along with the preparation of its report.

- **Simulation and Role- playing**

Under Simulated conditions, the students of PG department are assigned to play different roles during their internship. It is done on rotation basis. Everybody in the peer group gets a chance to act as a peer-teacher as well as student/observer /leader /timekeeper etc. under supervised conditions. Similarly, in the UG department, in semester III, there is micro teaching practice which is done through simulation. There are 20 micro lessons on 5 skills (skill of reinforcement, skill of stimulus variation, skill of questioning, skill of explanation and skill of illustration with examples and visuals) and a student has to deliver 2 lessons on each skill in a simulated way.

- **Peer Teaching**

In peer teaching, students of both the departments teach their peers under simulated conditions. According to the syllabus, one student is made to teach the peer group under supervision of their group mentors / supervisors.

- **Internship and Practicum**

In both the UG and PG Departments the students participate in Internship activities which includes field visits, conducting observation lessons, delivering lessons to students, preparing

Kantosh Jaihar An
Akash 15

question papers, writing reflection reports etc. Internship also includes school visits, community services, awareness programmes and teaching practice in simulation as well as in schools. Practicum includes IEP, computer applications, trainings and workshops etc. Orientations are conducted before the commencement of the activities. Each student individually participates and collects data for their report writing. Students submit their report at the end. The whole process is conducted under the supervision of group supervisors.

EVALUATION PROCESS AND RESULTS

1. Paper setting:

Highly experienced and qualified faculty members with proven integrity from within and outside the UT are appointed as paper setters after seeking approval of their names from the statutory bodies i.e., Board of Studies and Academic Council of the College.

2. Conduct of Examinations:

The senior faculty members are appointed as Superintendent and Deputy Superintendent and other supervisory staff for fair and orderly conduct of examinations. Besides, senior Professors and Administrative Officers from University of Jammu and other institutions are involved in vigilance duties to ensure smooth and transparent conduct of examinations of the College.

3. Evaluation:

A panel of senior faculty members from within and outside the Union Territory is drawn and approved by the statutory bodies i.e., Board of Studies and Academic Council of the College. In respect of Under-Graduate courses, the system of table evaluation has been introduced and the answer scripts are evaluated within the prescribed time frame. However, in respect of post-graduate courses the answer scripts are sent for evaluation to the approved evaluators by post within and outside the Union Territory.

4. Re-evaluation:

The candidates who apply for re-evaluation are shown their answer scripts. If they find any grievance/observation, the same are sent to the approved evaluators for re-evaluation.

5. Sonet ERP Software is being used for online Examination Management. The centre generates examination notifications, course-wise student bar-coding and encoding.

Kantab Jaina

Arora
16

Examination schedules, hall tickets, students' performance, grades, percentages, SGPA, CGPA, result declaration and marks sheets etc. are generated through this software.

6. The result of examinations is compiled and declared through result gazettes / notifications within the statutory period. The result is also uploaded on the College website for the information of the students. The marks-grade certificates are issued immediately after declaration of result.
7. The Provisional Certificates in favour of successful candidates are issued by the College itself. The Migration Certificates are also issued by the College whereas the degrees are awarded by the affiliating University i.e., University of Jammu after conducting an inspection of the Examination Records by a team of inspectors appointed by the University of Jammu.

A. Guest Lectures

- November 6, 2020
A guest lecture on the theme "Various Errors in Educational Research" was organised on. The resource person was Prof. Kaushal Kishore, Dean and Head School of Education, Central University of South Bihar, Gaya.
- Prof. Vishal Sood, Dean and Head, School of Education, Central University of Himachal Pradesh, Dharamshala deliberated on the topic "Development of an Attitude Scale" on December 9, 2020.

2021

- "Hypothesis: Forms and Testing" was the topic of the guest lecture which was organised on February 27, 2021. The resource person was Prof. Kaushal Kishore, Dean and Head School of Education, Central University of South Bihar, Gaya.
- An online research colloquium on the topic "Effect of STEAM through Group Work Learning Approach on Academic Achievement in Science, Creative Thinking Skills and Collaborative Skills at Elementary Level" was organised by the centre on March 27, 2021. Ms. Mohini Tripathi, Ph.D. scholar at the Department of Teacher Education, Central University of South Bihar, Gaya was the resource person.

B. Research Awards

MIER College of Education organized the Research Awards for the year 2021 for felicitating its faculty members. Prof. Rajni Kant, Director College Development Council, University of Jammu, was the Chief Guest and Dr. Renu Gupta, Chairperson MIER was the Guest of Honour on the occasion. The Research Awards were presented to 12 faculty members of the college and an amount of Rs 54000/- was given away as prize money along with a citation.

C. New Initiatives Taken:

- Created College Instance and Registration of Faculty on IRINS (Indian Research Information Network System)
- Revised the research award policy to motivate and appreciate the research contribution of faculty
- Developed new website for online submission of manuscripts for the MIER Journal of Educational Studies, Trends and Practices.

Keatosh

Arjun

Ashant

- To enhance the research skills of the faculty, an Inter Faculty Competition on "Preparing Proposals for Research Projects" was held to develop and refine the research skills of the faculty members. The seed money of Rs.10,000/- will be given to the first three projects selected by the selection committee based on various parameters to carry out the research work.
- A research project entitled "Role of Digital Media in Building World Class Institutions with special reference to Teaching- Learning; A Survey" has been awarded to the college under the prestigious IMPRESS scheme of the Indian Council of Social Science Research (ICSSR) with a grant of Rs.7 Lacs. The project has been completed and report has been submitted to the ICSSR. The project team led by Prof. Adit Gupta, Dr. Moolraj Sharma and Dr. Nishta Rana carried out the study.
- Initiated the research mentorship programme for students through a research competition.

D. Conferences, Seminars/ Webinars, Workshops Organised/Attended

A two-day NAAC sponsored International Conference on the theme "Perspectives in Teaching, Learning and Assessment during COVID-19 Pandemic" organized on May 19-20, 2022 by the College.

Conferences attended by the faculty

S. No.	Date	Name of the Faculty	Conference Name	Agency
1.	26/09/2020	Dr. Nishta Rana	Education and Development: Post Covid19	Lovely Professional University, Phagwara
2.	23/04/2021	Mrs. Suman Gupta and Dr. Nishta Rana	Strategic Management and Benchmarking for Quality Sustenance in Higher Education Institutions in India	MIET Jammu
3.	21/08/2021	Dr. Nishta Rana	Contemporary Teaching Pedagogy in a Pluralistic Society	DAV PG College Dehradun, Uttarakhand

**LIBRARY AS LEARNING RESOURCE**

Total collection of the following in the library

a.	Books	11406
	- Textbooks	9719
	- Reference books	1303
	- Donated books	384
	- Titles	7182
b.	Magazines	23
c.	Journals subscribed	47
	- National	37
	- International	10
d.	E-information resources	
	- Online journals/e-journals	6000+
	- CDs/ DVDs	171
	-Databases	1
	- Video Cassettes	-
	- Audio Cassettes	10
	Total carpet area of the Library (in sq. mts.)	i) 115.2 sq.mtr. (UG) ii) 57.10 sq.mtr. (PG)
	Seating capacity of the Reading room	80 + 29 = 109 (UG & PG)

Which of the following services/facilities are provided in the library?

Circulation	Yes
Clipping	Yes
Bibliographic compilation	Yes
Reference	Yes
Information display and notification	Yes
Book Bank	Yes
Photocopying	Yes

Computer and Printer	Yes
Internet	Yes
Online access facility	No
Inter-library borrowing	No
Power back up	Yes
User orientation /information literacy	Yes

Both the libraries of MIER College of Education are fully automated and the software (ERP-Sonet) has many features such as OPAC Search facility and Issue/Return facility with the help of Barcode and Scanner. All the books are barcoded, and barcode is also printed on the I-cards of the students to save the time of the user. Various reports can be generated via ERP such as library transaction report, book transaction details, fine report, issue/return overdue report etc.

Library of MIER College of Education is enriched with an ample number of learning resources and subscribes to the UGC's N-LIST services. Users can access thousands of e-journals and e-books. There are 10 computers in both the college libraries with internet connectivity. The library offers services such as circulation, reference, reprography, display of new arrivals and user education programmes etc. The librarians orient the users timely about the available resources, rules for using the resources and also about different electronic resources which are available free of cost such as National Digital Library of India (NDLI), e Pathshala, e-PG Pathshala, Shodhganga, Directory of Open Access Journals (DOAJ), Directory of Open Access Books (DOAB) etc.

MIER library as a learning resource is providing the following services:

Reference & Referral Services: Librarians of the college are always ready to provide the reference & referral to their users through which they can get the appropriate information without losing much time for searching.

Current Awareness Services (CAS): The purpose of a current-awareness service is to inform the users about new acquisitions in their libraries. MIER college Library in particular has used display boards outside the library in which jackets of books are displayed. They also send the information through different platforms like Google Classroom, WhatsApp and email to their users.

Internet Services: There is free internet access to all students and faculty members in the library. Users are allowed to browse only educational websites for enhancing their knowledge. List of various educational websites are displayed on the notice board inside the library.

Scanning & Photocopy Services: It is one of the essential features of library to facilitate the users to get their desired photocopy of the documents/reading material at nominal rates and scanning of the document are also provided free of cost.

Utilization of Library Resources: Through a training programme for staff and students information about various library sources both online and offline is given to the users. The offline sources include books, journals magazines, periodicals, encyclopaedias, dictionaries, theses, dissertations etc. and online sources include the online subscription of UGC's NLIST programme. The librarians of MIER College have created a web blog through which user can easily visit various free web sites with a single click. The link of the blog is given as <http://suneelmier.blogspot.in/>

Book Talk: An annual feature of the library is to organize book talk in the college. The purpose of the book talk is to motivate listeners in order to foster good reading, writing and speaking skills by encouraging self-directed learning through reading.

News Clippings: The College library possesses a good collection of important news clippings- based on different themes which were taken from various newspapers. A total number of fourteen news clipping files on varied disciplines are presently available in the library for ready references.

Book Exhibition: MIER College arranges a Book Exhibition on an annual basis. Book Exhibition gives users a motivation to choose high quality books before they decide to buy or suggest for the library collection. Our book Exhibition gives them an even bigger selection because we get books from many different publishers.

Use of Various Websites as learning resource

Internet is very useful tool in the hand of learners in terms of self-study, technology enabled learning and 24X7 availability of resources. Our students are using different websites for their learning. Google Classroom is one of the topmost website resources which is being used by students for attending online classes with online attendance, studying by downloading notes/ material /videos uploaded by teachers, submitting sessional work/assignment and uploading answers/quiz/ any assignment for evaluation. Second such source is Moodle i.e., presently being used by teachers for blended learning. Other websites used are Canvas, SWAYAM, e-PG Pathshala, Sodhganga, Quizizz, YouTube, DOAJ, DOAB, Mendeley, Coursera etc.

Activities of Centre for Educational Technology

Different ICT related activities were conducted by the Centre of Educational Technology (CET)

2020

A. Training Programmes

The centre played a major role during lock down period for the smooth conduct of the teaching process.

- The centre created Google Classrooms, online presentations and college email IDs for students
- Staff trainings were conducted on Zoom App, Webex, GoToWebinar, Google Tools - Google Classroom, Google Meet, Google Docs, Google Forms, Google Slides, Quizizz App, etc. Besides these, the centre also successfully arranged five webinars and a round table discussion by providing technical support.
- A training programme was also organised for the teachers of Model Academy through online mode on using Google classroom, zoom meetings, and other G-suite applications.
- Staff of the college was trained on different modules of the software 'SONET' for using in Admissions, Administration, Fees, Account section, Student Management, Academics and examination. Users were also trained on the smart phone app and desktop version of the ERP.

A. Development of E-Content

- To provide easy accessibility to the learning content, twenty-five lessons were recorded, edited and uploaded on the You Tube channel of the college. Students were highly appreciative of this step as they could learn at their own pace, comfort and time.
- The College has developed a Moodle based E-Learning Management System (ELMS) to launch MOOCS and other blended learning courses for its students.

B. Technological Advancements

The College took the following digital and technological initiatives in order to keep pace with the advancements which are taking place in educational technology sector and transforming the teaching learning process rapidly:

- The College procured new ERP 'SONET' for automation and digital management of day to day activities of the college right from admissions to examination system and Hostel to managing student support services. The ERP comes with its own Teacher and Student app.
- The college purchased a subscription-based membership of the 'MOODLE' platform to host an innovative Learning Management System from the next semester. The platform will also

provide the college with a capability to develop and distribute its own MOOCS for the students.

- To organise webinars, the college invested in a webinar management system based on the 'Zoom' platform. Webinars can now be hosted and recorded in the cloud and also live streamed to a large audience. The current capacity of the platform is to host 500 attendees at a given time.
- The college has also completed the 'WiFi Campus' project to provide high speed wireless internet to the students and faculty. Based on a Fibre Optic backbone this would greatly enhance the experience of accessing the college LMS, ERP and YouTube channel besides other educational resources.
- New laptops and projectors were added in the Centre of Educational Technology for enhancing the ICT setup in the college.
- To facilitate online teaching the faculty were encouraged to upgrade their home internet access to broadband speeds. 100% faculty has now access to high-speed internet for conducting online teaching and learning activities.

2021

A. Launched New Website - May 11, 2021

After a yearlong extensive work on the design and layout, a comprehensive new college website <https://miercollege.in> was launched on The website was prepared to encompass diverse features and sections as per NAAC guidelines and to give it a more contemporary and modern look.

B. Training Programmes

- February 8, 2021 to February
A two day workshop on the "Use of SPSS in Data Analysis" was organised for the students of PG dept.
- April 3, 2021 to April 30, 2021
A three-week Training of Trainers programme was organised to train teachers to use the Commonwealth Digital Education Leadership Training in Action (C-DELTA) platform and develop their capacities in using digital resources in teaching-learning process.
- July 29 to August 19, 2021
COL organized a 3-week online training on "Blended Course Design using Moodle" as part of its TEL implementation programme. Dr. Philip Uys, Senior International Education Consultant, Adjunct Associate Professor Education, University of Adelaide, Australia was the resource person.
- December 2, 2021
A new ERP from SONET Microsystem Pvt. Ltd. (eSCOP) was introduced on April 16, 2021 for the smooth functioning of the college for administration, teaching, and non-teaching purposes. The centre made its different modules functional and organised training

programmes for the teaching and non-teaching staff to train them on the various features of the ERP.

C. Workshops

- June 28 to June 30, 2021

Dr. Sanjaya Mishra, Education Specialist, eLearning from COL was the resource person for a three-day online workshop organised on "Developing Technology-Enabled Learning (TEL) Policy" for the College from.

- During the student and staff exchange programme organized between the College and Curtin University, Australia, the CET provided technical assistance in conducting a two-week teaching intensive programme.

2022

- March 30, 2022

Dr. Indira Koneru, Associate Dean and Head, eLearning Department at IBS India conducted a three-day workshop in collaboration with the Commonwealth of Learning (COL) Canada for developing blended-learning courses using the Moodle platform.

- April 30, 2022

An orientation on "Preparation of MOOC's" was organised for the faculty members of MIER College of Education. The resource person for the workshop was Dr. Mool Raj, Head PG Deptt.

PART D

Part D

I INTERACTION WITH THE STUDENTS, FACULTY & ADMINISTRATIVE STAFF

1.	Students	<p>The Peer Team interacted with the students and found them enthusiastic about the learning environment of the College, ICT facilities and quality of transaction in the classroom.</p> <p>The majority of students demanded a quality Canteen services preferably making students part of Management of Canteen. The College may think of flexibility in the curriculum for offering elective courses.</p>
2.	Faculty	<p>The interaction with faculty revealed that they have lot of opportunities for professional development, research promotion along with working facilities and ICT supporting learning environment.</p> <p>The teachers have concern over implementation of VII Pay Commission and separate parking facility for teachers.</p>
3.	Administrative Staff	<p>The Peer Team interacted with Administrative Staff and observed that they are experiencing excellent facilities for effective functioning, regular training programmes, regular salary especially they were appreciating of 'no cut' in salary during Pandemic times.</p> <p>Although the Administrative Staff is getting salary as per rules they however wanted that some kind of mechanism be evolved for Grade Promotion for better system's health.</p>

II SUGGESTIONS OF THE EXTERNAL PEER TEAM

MIER College of Education (Autonomous) is a prestigious institution with a educational legacy of over 86 years which is ISO 9001 :2000 certificates & A+ Grade (with CGPA of 3.64 out of 4) in 2017. The College is declared as First Ranked among Autonomous J&K UT Colleges.

The Team visited various departments, infrastructural and instructional facilities and observed various processes. The team observed that the College is able to address all the previous observations, recommendations and has set up a ICT based support system, initiated active collaborations with National & International organizations.

The College is being run in a very transparent and professional way. Standard operating procedures for each activity is in place for objective functioning and putting accountability for each task. The observations of various committees are taken on agenda for their completion. The seriousness of the compliances of their observations are taking the institute to the path of excellence. B.Ed. & M.Ed. Special Education are innovative programmes being run to cater to the needs of special educators in schools. Provision of Seed Money for research in promoting research culture in the institute which is reflected in the increasing trend of research publications.

The Committee feels that the College should bring flexibility in curriculum, promotes consultancy for ICT promotion & training in Administrative setup to schools / organizations, which is a strength of the College.

The College should integrate implementation of MOOCS for disciplinary courses. The College is already using a lot of ICT for effective Administration, may add 4 quadrants for online sharing of e-text, videos assignments and discussion through their website. Collaborative Research and Publication be seen as an opportunity for better citation and index.

Kentoch *Saika*
Agarwal

III SPECIFIC RECOMMENDATIONS OF THE EXTERNAL PEER TEAM

1. The curriculum be framed in the light of LOCF (learning outcome-based curriculum)
2. Ph.D. Programme be initiated
3. Process of implementation of NEP-2020 be initiated
4. Collaborative Programmes / Collaborative Research / Collaborative Publications be initiated

No.F. 22-1/2017(AC)

July, 2020

The Registrar
University of Jammu,
Gujerbasti, Jammu,
Jammu and Kashmir -180 006

15 JUL 2020

Sub: - Extension of Autonomous Status to MIER College of Education, BC Road, Jammu-180 001
affiliated to University of Jammu, Jammu

Sir/Madam,

This has reference to the proposal submitted by MIER College of Education, BC Road, Jammu-180 001
affiliated to University of Jammu, Jammu for extension of autonomous status under the UGC Scheme for
Autonomous Colleges.

On the decision(s) of the Standing Committee constituted by University Grants Commission, in its
meeting(s) held on 19.06.2020 and 28.06.2020, the Competent Authority has decided to extend the
autonomous status to MIER College of Education, BC Road, Jammu-180 001 affiliated to University
of Jammu, Jammu for a period of Ten (10) years from the session 2020-2021 to 2029-2030 as per
provisions of Clause 3.13 and Clause 6.5 of UGC Regulations dated 12.02.2018.

The University is requested to issue necessary notification/order regarding extension of autonomous
status to the College as per the UGC (Conferment of Autonomous Status Upon Colleges and Measures
for Maintenance of Standards in Autonomous Colleges) Regulations, 2018 for Autonomous Colleges.
The College, if eligible, shall apply for autonomy grant as per the norms laid down in the Regulations.

The Autonomous College is required to abide by all the provisions of the UGC Regulations for
Autonomous Colleges. The Regulations are available on the UGC website, www.ugu.ac.in. Non
compliance of the requirements and conditions in the said Regulations shall attract action as per
Clause -14 of the UGC Regulations - 2018. Further, it may be noted that the above said college shall
also apply in the prescribed format to University Grants Commission for extension of autonomous status
six months prior to the expiry of the autonomous cycle.

Yours faithfully,

(Vikas Gupta)
