Report

To commemorate the World Health Day, the Extension Unit of MIER College of Education (Autonomous) organized a free health camp and a sensitization lecture for its students and villagers of the adopted village at Purkhoo, Domana. Medical professionals from the Directorate of Ayush, Govt. Ayurvedic Hospital, Jammu, led by Dr. Vimal Sharma and Dr. Manju Bhat conducted the camp, assisted by supervisor Sh. Vijay Kumar Bhatt. Around 25 students from the School of Education of the MIER College attended the camp.

Ms. Snober student of B.Ed. Semester III welcomed the medical team, local officials, sarpanch, students and villagers. Dr. Vimal Sharma Medical Officer provide insights on common health issues, ayurvedic treatments and immunity boosters.

During the general medical check-up of the residents, 142 inhabitants were diagnosed with various ailments such as anemia, blood pressure, sugar, gastric issues etc. Free medicines and immunity kits were distributed among the villagers. Ms. Shalini semester III, extended a formal vote of thanks.

Both students and villagers actively engaged in the health camp and sensitization session. Mrs. Suman Devi, In-charge Extension Unit, expressed her gratitude to the resource persons, and the participants for their support in the successful organization of the event.

Dr. Adit Gupta, Principal of MIER College appreciated the efforts of the unit and thanked the doctors and their medical team's contribution to the event's success.

Report

The Extension Unit of MIER College organized a program on the theme "Benefits of Ayushman Bharat Schemes" at its adopted village, Purkhoo, Jammu, on March 22, 2024. Led by Mrs. Suman Devi, 20 student members visited the village to spread awareness. Ms. Payal, a student in B.Ed. Special Education Semester I, warmly welcomed the Sarpanch, Panch, resource person, and the audience. Mr. Ketan Sharma, Common Service Center, State Health Agency, Jammu served as the resource person, elucidating the benefits of the Ayushman Bharat Schemes, particularly the Pradhan Mantri Jan Arogya Yojana (PM-JAY), the world's largest health assurance scheme. Under PM-JAY, families receive a health cover of up to 5 lakhs per year for secondary and tertiary care hospitalization, benefiting over 12 crore poor and vulnerable families. Mr. Sharma explained the cashless and paperless registration process and introduced the ABHA Card, facilitating cashless treatment and admission. Private and state government hospitals might also supply free treatment up to 5 lakhs under this application. The benefits of the scheme are portable across the country. Ms. Hitakshi, a student from B.Ed. Semester I, proposed a formal vote of thanks, while Mrs. Suman Devi expressed gratitude to all participants.

Dr. Adit Gupta, Director and Principal MIER College, commended the Unit's endeavours in fostering awareness about the benefits of Ayushman Bharat Schemes, highlighting the significance of these schemes among rural community

Report

The Extension Unit of MIER College organized a sensitization programme on the theme of " the importance of voting and rights of a voter" at its adopted village, Purkhoo, Jammu. The event was held on February 21, 2024. Led by Mrs. Suman Devi, 50 student members engaged villagers in an insightful dialogue.

Ms. Aashiya, a student in B.Ed. Semester I, welcomed the Sarpanch, Panch, and audience. A dedicated group comprising students from the School of Education and the Social Sciences and Humanities, including Ms. Chavi, Ms. Shivangi and Ms. Palak, from B.Ed. Spl. Education, alongside Ms. Pritibha from B.A. Political Science Semester III enlightened the residents about their voting rights and its significance. They emphasized, that voting is a pivotal tool in empowering individuals to actively participate in shaping national decisions. Stressing its importance as a civic duty, they highlighted its role in holding politicians accountable and fortifying the democratic framework of our nation.

The villagers, along with local leaders, lauded the initiative, acknowledge MIER College's dedication to societal causes and youth education. Ms. Sonia a student from M.Ed. Semester III, proposed a formal vote of thanks, while Mrs. Suman Devi expressed gratitude to all participants.

Dr. Adit Gupta, Principal of MIER College, commended the unit's endeavors in fostering awareness about voting rights, highlighting the significance of such initiatives in fostering informed citizenship and democratic engagement among rural communities.

Report

The Extension Unit of MIER College continues its commitment to community welfare by organizing an impactful Nukkad Natak (street play) centered around the critical theme of "AIDS and HIV" at its adopted village, Purkhoo, in Jammu. The event, held on 6th December 2023, was designed with a primary focus on spreading awareness about AIDS, emphasizing prevention measures, and combating the stigma associated with the disease. A group of about 26 student members of the unit, along with their In-charge Mrs. Suman Devi, visited the village.

Ms. Snober, a student B.Ed. Semester III, welcomed the Sarpanch, Panch, and audience. Through the Nukkad Natak, the student showcased the mindset of people towards AIDS and HIV patients, the psychological trauma of stigmatization and discrimination experienced by them. The performance showcased real-life scenarios, shedding light on the misconceptions surrounding AIDS, advocating for safe practices, and promoting empathy and support for those living with HIV/AIDS. They also highlighted the treatment options available and different medical schemes for such patients.

The villagers, along with Panch and Sarpanch, expressed their gratitude to the students and the Extension Unit of the college for taking up social causes and educating the youth. Ms. Bhavya, student B.Ed. Semester III, proposed a formal vote of thanks.

Dr. Adit Gupta, Principal MIER College, appreciated the efforts of the Unit in spreading awareness among the villagers regarding AIDS and HIV and said that providing an opportunity for villagers to come together, learn, and engage in discussions. Such endeavors contribute significantly to spreading awareness and fostering a more informed and supportive community.

MIER College of Education is proud to announce that its Extension Unit has been honored with a prestigious award by the Directorate of Ayush, Union Territory of J&K. Dr. Mohan Singh, Director, Ayush presented the award in an impressive function which prominent officials from the Ayush Department attended on November 18, 2023. This recognition is a testament to the unwavering commitment of the college to social service and community outreach and to make a tangible impact on the lives of the surrounding communities.

The extension unit has been instrumental in organizing a plethora of initiatives, including workshops, health camps, and awareness drives, all geared towards empowering the community with knowledge and fostering positive behavioural changes. Dr. Vandana Dogra, Medical Superintendent, Govt. Ayurvedic Hospital, Jammu also appreciated the efforts of the college in carrying out extension and outreach activities that have helped educate people about sanitation, hygiene, and nutrition.

Commenting on the achievement, Prof. Adit Gupta, Principal expressed gratitude for the honour and said that the Extension Unit's dedication to community outreach has not only enriched the lives of those it serves but has also instilled a strong sense of social responsibility among the college's students and faculty. He avowed that the College shall remain dedicated to providing quality education, fostering community engagement, and contributing positively to society.

Report

The Extension Unit and Environment unit of MIER College of Education (Autonomous) in collaboration with Jammu Municipal Cooperation organized a Swacchata Abhiyan at Purkhoo village on 6th November, 2023. The village has been adopted as part of the community development programme of the college. The college has always been at the forefront in undertaking ventures that can change the lives of the deprived sections to the challenges involved in sanitation and to make the environment safe and clean.

22 students from both SOE and SSSH and Mr. Anup Sharma, sanitary inspector and their 15 members of JMC participated in the event. The main aim of the cleanliness drive was to promote awareness regarding cleanliness and to dissuade people from open defecation. The students oriented the residents regarding waste management, segregation and disposal of waste along with the importance of personal hygiene.

Mrs. Suman Devi, Incharge Extension Unit, and Mrs. Suman Gupta, Incharge Environment Unit successfully organized the programme and formally thanked the Sarpanch and residents for their cooperation and support.

Dr. Adit Gupta, principal, MIER appreciated the efforts of the Units in conducting such pertinent activities for the community.

Report

To commemorate the Literacy Day, the Extension Unit of MIER College of Education (Autonomous) organized a guest lecture for its 4th Class employees at its premises. Mrs. Suman Devi In-charge Extension unit, extended a warm welcome to the resource person. Mr. Rahil Gupta Bank Manager, Punjab National Bank, MIER Branch was the resource person.

Mr. Rahil explained various modes of digital transactions and the use of different mobile apps like Googal Pay, PAYTM, UPI, E Wallet, E banking etc . Additionally, He claimed that with the launch of UPI transactions, digital payments in India had made a significant advancement. However, he cautioned that scammers quickly adjusted and developed several strategies to trick customers, created forged virtual payment addresses for refunds, disaster support, etc. as well as false cash back offers and QR codes to deceive collect requests. He said there is no doubt that fraudsters are getting trickier with each passing day, but we must take precautions and security measures.

Ms. Alisha Vaid, student of 2nd semester, also explained the use of generic medicines. She said before purchasing the medicine, one should check the manufacturing and expiry date as well.

Ms. Niharika student of 2nd semester extended a formal vote of thanks. The event was organized under the supervision of Mrs. Suman Devi, Incharge Extension Unit

Dr. Adit Gupta Prinicipal, MIER College also explained regarding Digital transactions and online frauds to 4th Class employees and he appreciated the efforts of the unit for spreading awareness among the 4th Class employees regarding digital transaction, Online frauds and Generic medicines.

Report

The Extension Unit of MIER College of Education organized an awareness programme by conducting a guest lecture on the theme "Tuberculosis and its Precautions and Treatment" at its adopted village Purkhoo. The main aim of this programme was to develop awareness regarding tuberculosis and its devastating health, social and economic consequences, in addition to its preventive measures. Around 15 students from the School of Education, MCE, participated in the activity along with their incharge, Mrs. Suman Devi. Dr. Manju Bhat, medical officer at the Govt. Ayurvedic Hospital, was the resource person for the programme.

Dr. Manju Bhat comprehensively deliberated on the topic and explained that tuberculosis (TB) is a bacterial infection caused by Mycobacterium tuberculosis. It primarily affects the lungs but can also affect other parts of the body. TB is a contagious disease that spreads through the air when an infected person coughs or sneezes. Its causes, symptoms, types, precautions, and medication were briefly clarified. She also shared some preventive measures to reduce the risk of spreading TB among village people. In addition, Dr. Manju provided important guidelines and said that TB is not a lifelong infection and can be cured by eating healthy, taking regular medication and seeking professional guidance.

Ms. Mansi Verma, a B.Ed. student, also highlighted that it is a contagious disease caused by airborne bacteria and explained how people of different age groups can protect themselves from the infection.

Dr. Adit Gupta, Principal MIER College, appreciated the efforts of the unit and thanked the doctors for the successful organization of the awareness programme. Earlier Ms. Khushi Sharma, student B.Ed. 4th Semester, a warm welcome to the resource person. Mrs. Suman Devi, In-charge Extension Unit, expressed her gratitude to the resource person, students, school staff and villagers for their active participation and support in the successful organization of the event.

Report

The Extension Unit of MIER College of Education (Autonomous) organized an awareness campaign in collaboration with the Ayush Department, Govt. Ayurvedic Hospital Jammu, on August 8, 2023 at MIER. The theme was "Millet Promotion and Anemia Screening". Dr. Shivani Padha and Dr. Amardeep Kour, Medical Officer, Govt. Ayurvedic Hospital, were the resource persons, along with their interns, namely Mr. Sudhir Singh, Mr. Adil Farooq Malik, Miss Ananya Rajput, Miss Anuradha Choudhary and Miss Parul, who helped in conducting the program.

Around 80 students from School of Education and School of Social Sciences and Humanities, MCE, attended the awareness campaign. Dr. Shivani Padha, comprehensively deliberated upon the usage of millets in our diet, which could help in controlling and curing many non-communication diseases. Dr. Amardeep Kour, talked about anemia, its causes and remedial measures. She also shared information about various ayurvedic medicines and immunity boosters. Free medicines and immunity kits were distributed among the students, teachers and Class IV employees.

Earlier, Dr. Rohnika Sharma HOD, School of Education, formally welcomed the resource persons. Mrs. Suman Devi, Incharge, Extension Unit formally presented a formal vote of thanks.

Dr. Adit Gupta, Principal MIER College, appreciated the efforts of the unit and thanked the doctors and their medical team for the successful organization of the campaign and distribution of medicines.

Report

The Extension Unit of MIER College of Education adopted a new village- Purkhoo near Domana. Mrs. Suman Devi, Incharge Extension Unit along with 4 students from UG Department conducted the need analysis survey of the village as a part of their outreach initiative. The focus of the survey was to understand the needs of the community and design various development programs. The survey assessed the current state of affairs, identification of challenges and determine the most pressing needs of the villagers.

The present survey was carried out in Purkhoo village Tehsil Akhnoor, District Jammu, with the aim of getting an overview of the needs, problems & facilities available. According to the survey, the village is spread over 7 k.m. area.

Population:-

Total population	Total numbers of Males	Total number of Females	Total numbers of House holds	Literacy Rate
8,000	4000	4000	5,000	75%

Housing Status:-

All owned households have pucca houses with electricity and water facilities available.

Availability of Facilities in the village :-

Water facility

- As far as the facilities of the area are concerned, the village leader revealed that they have sufficient supply of drinking water in the form of taps, tube-well, hand-pumps etc.

Electricity facility

- Electricity is supply on regular basis in the area.

Health facilities

- Regarding the health facilities, there is a dispensary, a primary health center in the village.

Major Problem faced :-

The major problem faced by the villagers as per the survey are as under:

1. Problems faced by physically and mentally challenged people
2. Problem of alcoholism.
3. Problems in digitalized bank transactions.
4. Problem of health and hygiene

A Computer training Programme of the children of slum area of Kabir Basti was organized by Extension Unit, MIER College of Education, from May 9 to May 12, 2023, at its computer lab. The resource person was Mrs. Rohini Sharma, Lab In charge, MIER College. The aim was to bridge the digital divide and increase access to technology for the children from socially and economically backward section of the society. The four -day training programme focused on developing basic computer skills, such as knowledge about the computer hardware and software, use of operating system, word processing etc. among the children of Kabir Basti under the computer literacy programme. The computer literacy training is a capacity-building programme that empowers children to develop their skills in the use of computer applications and help them in becoming contributing members and digitally literate citizens. A group of about 18 students from Kabir Basti participated in the training programme. Mrs.Suman Devi, Incharge Extension Unit, ably organized the training session.. The parents of the children from Kabir Basti appreciated the initiative of the college and urged to organize such programme in the future too.

Computer Training Programme at MIER College

Early Times Report

5/20/2023

Jammu, May 20: A computer training program was organized by the Extension Unit of MIER College of Education from May 9 to May 12, 2023, at its computer lab.

The program aimed to bridge the digital divide and provide access to technology for children from socially and economically disadvantaged backgrounds.

Rohini Sharma, Lab Incharge at MIER College, served as the resource person for the training.

Over the course of four days, the program focused on developing basic computer skills, including knowledge about computer hardware and software, operating systems, and word processing. It was conducted under the computer literacy initiative specifically for the children of Kabir Basti.

The training aimed to empower them with essential computer skills and enhance their digital literacy, enabling them to become active and proficient users of technology.

Approximately 18 students from Kabir Basti participated in the training program, which was well-organized by Mrs. Suman Devi, Incharge of the Extension Unit. The parents of the participating children expressed their appreciation for the college's initiative and encouraged the organization of similar programs in the future.

Report

To commemorate the World Health Day, the Extension Unit of MIER College of Education (Autonomous) organized a free health camp and a sensitization lecture for its students and villagers of adopted village at Birpur, Parmandal Morh. The health camp was facilitated by a team of medical professionals from Directorate of Ayush, Govt Ayurvedic Hospital, Jammu. Dr. Iety Mahajan, Dr. Sayima Medical Officers were the resource persons, along with their supervisors and interns: Ms. Priya, Mr. Ajay Kumar, Mr, Sajad and Mr. Raghav. Around 30 students from the U.G and P.G. departments of the MIER College attended the camp.

Mrs. Suman Devi In-charge Extension unit, extended a warm welcome to the medical team, students and villagers. Dr. Sayima and Dr. Iety Medical Officer, comprehensively deliberated on the common health issues such as stress, anxiety, and hypertension and explained their causes and impact on our lives, work, and society at large. In addition, Dr. Sayima provided information regarding medical intervention, various ayurvedic medicines and immunity boosters.

During the general medical check-up of the residents, 90 inhabitants were diagnosed with various ailments such as anemia, hypertension, gastric issues etc. Free medicines and immunity kits were distributed among the villagers.

The students and villagers actively participated in the health camp and the sensitization session. Mrs. Suman Devi Incharge of Extension Unit thanked the doctors for their support in organizing the camp and the lecture.

Dr. Adit Gupta, Principal MIER College appreciated the efforts of the unit and thanked the doctors and their medical team for their support in the successful organization of free health camp for the residents and distribution of medicines.

Report

The Extension Unit of MIER College of Education (Autonomous) organized a Swacchata Abhiyan at Birpur village in collaboration with NSS unit on 15th February,2023. The village has been adopted as part of the community development programme of the college. The college has always been at the forefront in undertaking ventures that can change the lives of the deprived sections to the challenges involved in sanitation and to make the environment safe and clean.

More than 50 students from both PG and UG Departments participated in the event. The main aim of cleanliness drive was to promote awareness regarding cleanliness and to dissuade people from open defecation. The students oriented the residents regarding waste management, segregation and disposal of waste along with the importance of personal hygiene.

Mrs. Suman Devi, Incharge Extension Unit, successfully organized the programme and formally thanked the Sarpanch and residents for their cooperation and support.

Dr. Adit Gupta, principal, MIER appreciated the efforts of the Unit in conducting such pertinent activities for the community.

Report

A Public Awareness Rally for road safety was organized by the Extension Unit of MIER College of Education on the theme "Use of Helmet and Seat Belt." The rally was flagged-off by the HODs of the UG & PG departments in which students carried placards and banners appealing to the people to follow traffic rules, avoid accidents, wear helmets, avoid jumping signals and over speeding etc. The rally started from the college campus and proceeded towards Indira Chowk passed through General Bus Stand and concluded at the college.

The students made bystanders aware that wearing a seat belt in a car or putting on a helmet while driving a bike can save lives in accidents and crashes. A team of 24 students, along with the Incharge Mrs. Suman Devi and member, Ms. Nandini Puri Extension Unit, conducted the rally. Speaking on the occasion, Dr. Adit Gupta, Principal MIER College, said that the aim of organizing the rally is to spread awareness about traffic rules and the important of following rules in day-to-day lives. He urged students to act as ambassadors of road safety and help in creating awareness regarding strict adherence to road safety rules. He appreciated the efforts of the students and the unit for conducting the motivational rally for safe driving.

Glimpses of activity

Report

The Extension unit of MIER College conducted an outreach programme and donated three computers to the Govt. Primary School in addition to two computers to the Anganwadi Centres at its adopted village-Birpur. A team of 20 students along with the Incharge Mrs. Suman Devi, Extension Unit conducted the activity. The computers were installed by Mr. Naresh of ICT Department of the college who also briefed them regarding its working and uses.

The unit also organized an awareness Programme on the "Ladli Beti Scheme" of the government wherein Mrs. Meenakshi Samkaria of ICDS Project officer, Vijaypur and Ms. Mansi Verma and Ms. Sarita students of B.Ed. Sem III were the resource persons. They said that the scheme "Ladli Beti" launched by the Honourable Prime Minister, Shri Narendra Modi is a campaign to generate awareness and improve welfare services intended for girls in India. The resource persons shared the schemes that the govt. of Jammu & Kashmir provided as a social assistance scheme meant for new born girl child born on or after 1st April 2015. They also deliberated on the objectives and the phases of the scheme.

The villagers along with panch and sarpanch actively participated in the programme and appreciated the work of the unit. Mrs. Suman Devi thanked the resource persons and inhabitants on the occasion. Dr. Adit Gupta, Principal MIER College, appreciated the efforts of the unit for spreading awareness and successfully conducting the donation drive.

Report

The Extension Unit of MIER College of Education conducted a survey and adopted Birpur village near Bari Brahamana. Mrs. Suman Devi, Incharge Extension Unit along with 3 students and 2 faculty members from UG Department were part of the survey team. The aim of this survey was to get an overview of the needs and problems faced by the villagers and the current facilities available in the village. The college shall organize various awareness programmes in the village based on social issues, health and nutrition, digital literacy etc.

The present survey was carried out in Birpur village Tehsil Bari Brahamana, District Jammu, with the aim of getting an overview of the needs, problems & facilities available. According to the survey, the village is spread over 7 k.m. area.

Population:-

Total population	Total numbers of Males	Total number of Females	Total numbers of House holds	Literacy Rate
3500	1960	1540	650	70%

Housing Status:-

All owned households have pucca houses with electricity and water facilities available.

Availability of Facilities in the village :-

Water facility

- As far as the facilities of the area are concerned, the village leader revealed that they have sufficient supply of drinking water in the form of taps, tube-well, hand-pumps etc.

Electricity facility

- Electricity is supply on regular basis in the area.

Health facilities

- Regarding the health facilities, there is a dispensary, a primary health center in the village.

Major Problem faced :-

The major problem faced by the villagers as per the survey are as under:

1. Problems faced by physically and mentally challenged people
2. Problem of alcoholism.
3. Problems in digitalized bank transactions.
4. Problem of health and hygiene

Report:

To commemorate the World Health Day, the Extension Unit of MIER College of Education (Autonomous) organized a couple of events namely a free health camp and a sensitization lecture for its students, teaching and non-teaching staff, and Class IV employees. The health camp was facilitated by a team of medical professionals from Directorate of Ayush, Govt Ayurvedic Hospital, Jammu, including Dr. Jatinder Kumar, Dr. Anjali Sharma, Dr. Amardeep, Dr. Shaily Medical Officers along with their supervisors and interns: Mr. Abhijeet, Mr. Narinder Kaur, Ms. Sunidhi, Mr. Sudhir Singh, Ms. Jyoti Parshad, Mr. Amit, Ms. Safia, and Mr. Avais.

Dr. Rohinika Sharma, HoD UG Department, extended a warm welcome to the medical team, students, teaching and non-teaching staff and Class IV employees. On the occasion, Dr. Amardeep Medical Officer, comprehensively deliberated on the common health issues such as stress, anxiety, and hypertension and explained their causes and impact on our life, work, and society at large. She also discussed various interventions and provided information regarding medical intervention too. In addition, Dr. Shaily provided information regarding various ayurvedic medicines and immunity boosters. In the camp, free medicines were distributed to all the employees.

The students and employees of MIER College actively participated in the health camp and the sensitization session. Mrs. Suman Devi Incharge of Extension Unit thanked the doctors for their support in organizing the camp and the lecture.

Report:

The Extension Unit of MIER College organized a nukkad natak on the theme "Drug Addiction" at its adopted village-Domana, Jammu. A group of about 26 student members of the unit and 15 students who performed the nukkad natak along with their Incharge Mrs. Suman Devi visited the village.

Through the natak the ill effects of drug addiction were highlighted such as family related issues, health problems, toxicity, social isolation, unemployment etc. The students were highly successful in dramatizing the social issue, educating the villagers regarding ill effects and the need to free society from substance abuse. During the interaction with the local people of the village, the student members explained the impact of drug addiction on people, their work and family were discussed. Group counseling of the villagers was also done by the members of the unit.

The villagers along with panch and sarpanch expressed their gratitude to the students and the Extension unit of the college for taking up social causes and educating the youth. Mrs. Suman Devi thanked the participants and everyone present on the occasion. Dr. Adit Gupta Principal, MIER College appreciated the efforts of the unit for spreading awareness among the villagers regarding drug addiction.

Report:

To mark World AIDS Day, an inter college symposium on the theme “Vulnerability of Women to AIDS/HIV” was organized by the Extension Unit of MIER College of Education. Dr. Rajiv Kumar Gupta, Professor and Head Community Medicine, Govt. Medical College, Jammu, was the Chief Guest on the occasion. Dr. Renu Gupta, Chairperson MIER Group of Institutions was the Guest of Honour. Dr. Adit Gupta, Director and Principal MIER College; Mrs. Rupa Gupta, Jt. Director MIER; Dr. MoolRaj Sharma, HoD PG Department; Dr. Rohnika Sharma, HoD UG Department along with the members of the staff and the students of college of education attended the event. Dr. Jatinder Kumar, M.D. Govt. Ayurvedic Hospital and Dr. Harbaksh Singh, M.D. Govt. Ayurvedic Hospital were the honorable Jury members. Ten students from various colleges across Jammu City participated in this symposium. All the participants expressed their views on the theme in a very succinct and impressive manner.

Mrs. Suman Devi, Convener Extension Unit extended a very warm welcome to the chief guest and all the participants and other guests who had come to attend the programme. Dr. Rajiv Gupta congratulated all the participants and said the theme of this year’s World AIDS Day is “End Inequalities. End AIDS. End other Pandemic.” Women are more vulnerable to it because of various reasons such as socio-cultural factors, economic reasons, illiteracy, sexual health, and unawareness toward it.

On the basis of the results given by Jury members, Ms. Neha Bargotra, MIER College of Education was awarded first prize, Ms. Kajal from Sai Shyam College of Education won the second prize, and Ms. Shai Bala of Govt. College of Education secured third position. Certificates were also distributed to the participants. Speaking on the occasion, Dr. Adit Gupta appreciated the effort of the unit and said we as teachers will further the cause of awareness regarding AIDS in the community as large and also urged the medical fraternity to find the permanent vaccination for this pandemic.

Health awareness camp for 4th class employees

The Extension unit of MIER College of Education (Autonomous) organized a couple of events namely free Health camp and an awareness lecture of health issues for Class IV employees. The event was organized in collaboration with Smt. Shanti Gupta Centre for women Studies (SSGCWS). The health camp was facilitated by a team of medical professionals Dr. Sachin Bhagat, Dr. Rozy Medical officers, Sh. Sudhir Singh Sup. Pharmacist, Mr. Ichpal, order Govt. Ayurvedic Hospital Jammu. Dr. Renu Gupta, Chairperson MIER, Dr. Adit Gupta, Principal MIER, Mrs. Rupa Gupta, Joint Director and Director CWS, HoDs and Deputy HoDs of PG and UG departments of the College along with 38 Class IV employees attended the event.

On the occasion, an awareness lecture on COVID-19 was delivered by Dr. Sachin Bhagat. They were asked to take simple precautions, such as physical distancing, avoiding crowds, and cleaning hands. Apart from eating healthy and a balanced diet which includes whole grains, fruits and vegetables, other important suggestions were also provided to the team of doctors to stay safe as the use of a mask alone is not sufficient to provide an adequate level of protection against COVID-19. Free medicines were also distributed to all the employees. Most of the medicines were for COVID-19 prevention and strengthening of immune system, while others were for common issues of body pain and multivitamin deficiency.

S. Rupa Gupta, Joint Director and Director of CWS, also spoke on the occasion and thanked the doctors for their support and encouragement. Dr. Adit Gupta, Principal MIER College appreciated the efforts of the unit for conducting the programme and spreading the awareness about physical and mental wellbeing.

MIER ORGANIZES AWARENES PROGRAMME ON SAVE THE GIRL CHILD

The Extension unit of MIER College of Education organized an awareness Programme on "Save the Girl child" in its adopted village Domana on 16th March, 2021. Mrs. Vidya chib, Child Development Project Officer, Kot Bhalwal was the resource person on this occasion.

A team of 35 Students of the Extension unit participated in the activity and oriented the locals about the discrimination and exploitation against girls .The members also discussed about gender equality. They mentioned the names of some female achievers in all the fields such as Rani Laxmi Bai, Sunita Williams, Kalpana Chawla, P.T.Usha etc. to motivate young girls to come forward and be a part of mainstream activities.

Mrs. Chib shared the scheme "Beti Bachao Beti Padhao" launched by Honourable Prime minister, Shri Narendra Modi and said it is a campaign launched to generate awareness and improve welfare services intended for girls in India. This was followed by a pledge in which the participants and locals took the pledge of saving and education the girl child. The Sarpanch and panches of the village also enthusiastically participated in the orientation programme.

Mrs. Suman Devi Incharge Extension Unit ably organized the programme and thanked the resource persons, Sarpanch and panches and also the locals for their cooperation and participation.

MIER College of Education (Autonomous)

College with Potential for Excellence Status by the UGC

Recognized by the J&K Govt. & Permanently Affiliated to the University of Jammu Reaccredited by the NAAC with grade 'A+'

Report on the survey of Domana village Tehsil–Jammu, District-Jammu, post-office- Domana, Pincode–181206 for adoption by the college

Village adoption

Village adoption is a unique programme which has been conceptualized and is being implemented by MIER College of Education Autonomous, with a view to adopt the people of that village and to sensitize and educate them. It will also start the process of all inclusive growth and facilitate the integration of the under privileged sections of the village population with the main economy. They will also become aware about the latest trends, practices and policies being floated for general public for the improvement, growth and development of people at large. The main aim is to bring them at par with urban population, elevate their quality of life and help them to become contributing members of our society by main streaming them.

Process of adopation of a village :-

1. The College shall identify a village and formally visit to survey it. The Principal, HOD and Incharges of three units namely NSS, Extension and Environment units shall also meet the village sarpanch and other panchayat members.
2. Through formal and informal discussions the team shall find out about the strengths, weaknesses, opportunities and challenges being faced by the villagers.
3. A formal Survey shall be planned and carried out by the faculty and students to get maximum information on parameters like population, economic status, Education and Literacy, housing status, occupational status, disabilities if any and facilities available etc.
4. A formal MOU will be signed with the village sarpanch to carry out mutually beneficial activities for the major stake holders.

5. The students shall start working in groups under the guidance of different unit incharges towards the development of the villagers by providing access, awareness and training programmes regarding different issues being faced.

The framework of village Adoption programme :

1. The three units of the College namely, NSS, Extension and Environment units shall visit the identified village and carry outreach and Community-based programmes to uplift the quality of the villagers.

2. All the students of B.Ed, B.Ed Spl.Edu.MR/ID, M.PHIL, M.Ed and M.A will be involved in different activities under these units.

3. Villagers will also stand to benefit through various activities and contribute towards “Nation Building”.

4. Concepts like Shram Daan and volunteerism, can be developed among the students through this process, which will eventually inculcate values like caring, sharing, networking and concern for other human beings.

Survey

Survey is defined as a thorough examination, the process of mapping an area/concept etc.in order to find out its boundaries, potential, problems and other related components. Surveys are methods of gathering information from individuals, groups and organization on important and basic issues. Surveys have a variety of purposes, and can be conducted in many ways. These may be conducted to gather information through a printed questionnaire, over the telephone, by mail, in person, by diskette, or on the web. This information is collected through use of standardized procedures so that every participant is asked the same question in the same way. It involves asking people for information in some structured format. Depending on what is being analyzed, the participants being surveyed may be representing themselves, their employer, or some organization to which they belong.

REPORT

The present survey was carried out in Domana village Tehsil Bhalwal, District Jammu, with the aim of getting an overview of the needs, problems & facilities available. According to the survey, the village is spread over 10 k.m. area.

Population :-

Total Population	Total number of Males	Total number of Females	Total number of Households	Literacy Rate
10,000	5,000	5,000	2,000	70%

Housing Status:-

All owned households have pucca houses with electricity and water facilities available.

Availability of Facilities in the village :-

- As far as the facilities of the area are concerned, the village leader revealed that they have sufficient supply of drinking water in the form of taps, tube-well, hand-pumps etc.
- Electricity is supply on regular basis in the area. There are permanent latrines in each households however the drainage system is open.
- Regarding the health facilities, there is a dispensary, a primary health center with in the village.
- About the gadgets owned by the village people, all of the families posses television, cable T.V., gas stove. Some of the families owend washing machines too.

Major Problem faced :-

The major problem faced by the villagrs as per the survey are as under:

1. Lack of regular source of income and employment.
2. Problem of alcoholism.
3. Problems in digitalized bank transactions.
4. Unsatisfactory rate of literacy
5. Problem of Health and hygiene

Conclusion :- Although the village is located in rural area, the residents are facing lot of difficulty in their day-to-day life. They are not aware about the income generating training and courses and are also confronting many social evils like alcoholism, illiteracy and domestic violence etc. They require interventional strategies to overcome some of these problems.

Suggestions :-

The following awareness programmes are suggested for their sensitization:

- Awareness creation about health and hygiene.
- Awareness about educational opportunities for children of the village.
- Awareness programmes regarding social issues like–Domestic violence, Drug abuse, early marriage, etc.
- Awareness about digital transactions.
- Literacy programme for adults.
- Skill upgradation of physically challenged persons.

SwatchaAbhiyan organized by Extension Unit

The Extension Unit of MIER College of Education (Autonomous) organized a SwatchaAbhiyan. More than 50 students from both PG and UG Departments participated in the abhiyan. The students participated in local area cleanliness drive, made posters, wrote poems and slogans on keeping the environment clean. They creating awareness on importance of dumping all their garbage at identified places for scientific disposal. The students also took pledge for saving the environment and keeping it pollution free.

The programme was made meaningful with the active involvement of the students and enthusiastically participated in the event. The program was ably conducted by Mrs. Suman Devi, Incharge Extension Unit MIER College. She formally thanked the participants for their cooperation and support.

Dr. Adit Gupta, principal, MIER appreciated the efforts of the unit to conduct such activities for the well being of the society.

Report

The Extension Unit at MIER College of Education organized an online guest lecture on the theme "Precautions and Prevention of COVID 19" for the students and the faculty members. The resource person on this occasion was Dr. Meenakshi Kotwal, District Tuberculosis Office, Jammu.

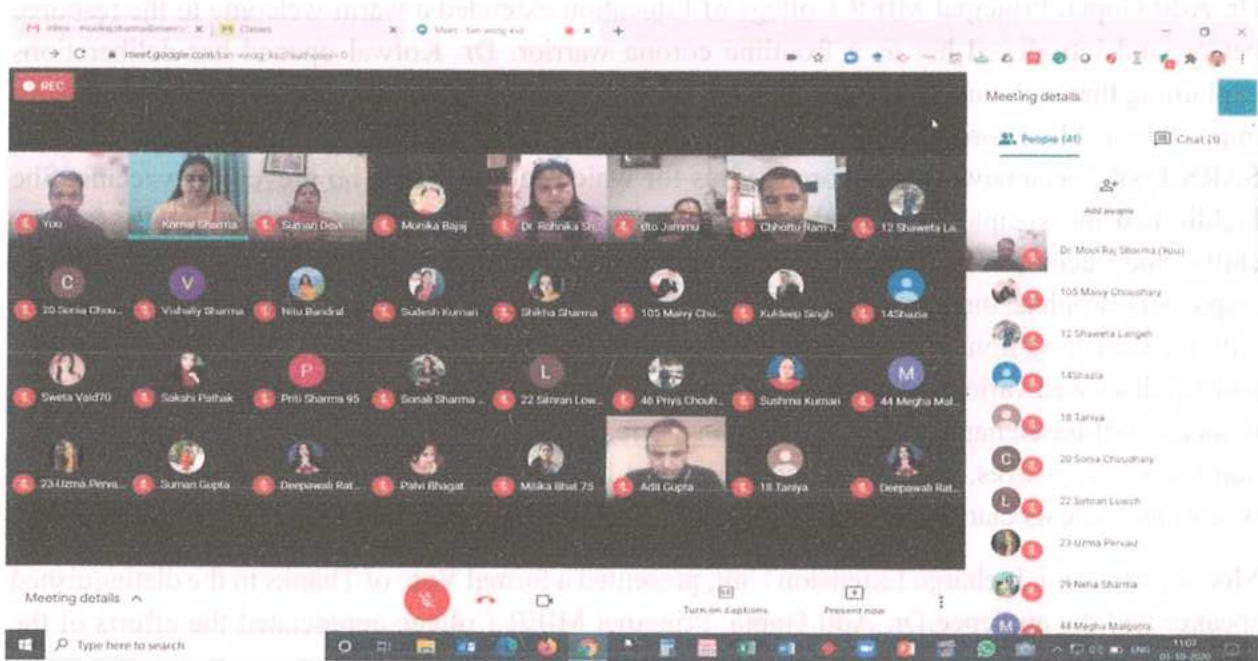

Dr. Adit Gupta, Principal MIER College of Education extended a warm welcome to the resource person and introduced her as a frontline corona warrior. Dr. Kotwal opened her deliberations explaining that a corona virus is a common virus that causes an infection in your nose, sinuses, or upper throat. Most corona viruses aren't dangerous but the World Health Organization identified SARS-CoV-2 as a new type of corona virus for which so far there is no preventive vaccine. She highlighted the symptoms of COVID 19 such as fever, coughing, shortness of breath, fatigue, chills, body aches, loss of smell or taste and nausea. She said the infection is spread through respiratory droplets, the infective period is from 2-14 days and the vulnerable group include people with medical conditions such as diabetes, chronic kidney or liver disease, obesity, children etc. Dr. Kotwal discussed various preventative measures like clean your hands often using soap and water or an alcohol-based hand sanitizer, maintain a safe distance of 6 feet or 2 meters, wear a mask and don't touch your eyes, nose or mouth. The guest lecture was followed by an interaction session where the students clarified their doubts.

Mrs. Suman Devi, Incharge Extension Unit, presented a formal Vote of Thanks to the distinguished speaker and the audience. Dr. Adit Gupta, Principal MIER College appreciated the efforts of the Extension Unit.

International Day for Older Persons Celebrated at MIER College

To Commemorate the International Day for Older Persons the Extension Unit of MIER College of Education (Autonomous) organized an online programme. The International Day for Older Persons is celebrated to acknowledge and appreciate the contributions of older people in their families, communities and societies at large. This year's theme of the United Nations International Day for Older Persons (UNIDOP) is "Pandemics: Do They Change How We Address Age and Ageing?"

Mrs. Komal Sharma, Convener Co-curricular Committee extended a very warm welcome to the audience and the guests. More than 10 student members of the Extension Unit along with their grandparents participated in the program under the guidance of Mrs. Suman Devi, Incharge Extension Unit. In addition to different cultural activities which included folk songs, bhajan and shared their experiences, who not only actively participated in the session but enjoyed it too. They requested the teacher incharge to organize such programs in the future also. Mrs. Suman Devi Incharge Extension Unit presented a vote of thanks.

Dr. Adit Gupta, Principal MIER College appreciated the efforts of the Extension Unit and encouraged the students to participate in the outreach activities.

REPORT

The Extension Unit in Collaboration with NSS Unit of MIER College of Education organized a sensitization programme on the theme "Gender Discrimination" at the Panchyat Bhavan in Gharota village, Bhalwal, Jammu on 13th February 2020. A group of about 50 volunteers along with the Incharge Mrs. Suman Devi and NSS Officer Mrs. Komal Sharma visited the village. The aim of the visit was to create awareness among the villagers regarding social issues on Gender inequalities, and their social causes, women's health over their lifetimes.

Extension Unit showed three documentaries namely "Tamana a short film," "Parivartan" and "B'coz I am a girl" on Gender Discrimination, which depicting the suppression of women for expecting a male child and other issues.

It was really a very fruitful activity as the villagers were deeply involved. Dr. Adit Gupta, principal, MIER appreciated the efforts of the unit for sensitizing the villagers regarding these social issues and asked the unit to conduct such activities for the well being of the society.

REPORT

With a purpose to sensitize the villagers regarding the ill effects of drug addiction, a team of 10 student members of the Extension Unit of MIER College of Education along with their Unit Incharge Mrs. Suman Devi organized a Nukkad Natak on the theme "Drug Addiction" at its adopted village-Gharota, near Bhalwal, Jammu.

During the visit the students interacted with the locals including children and youth regarding causal factors leading to the misuse or overuse of drugs and its consequences. The students were highly successful in dramatizing the social issue and educating the villagers regarding the ill effects of drug misuse and the need to eradicate it from the social system. Through the natak the ill effects of drug addiction were highlighted such as family related issues, health problems, toxicity, social isolation, unemployment etc. The students were highly successful in dramatizing the social issue, educating the villagers regarding ill effects and need to free society from substance abuse.

The play was highly appreciated by the audience. The whole event was organized with the active support of Incharge Extension Unit who also presented a formal vote of thanks to the villagers and sarpanch. Dr. Adit Gupta Principal, MIER College appreciated the efforts of the unit for spreading awareness among the villagers regarding drug addiction.

Report

The Extension Unit of MIER College of Education adopted a new village- Gharota near Bhalwal, Tehsil Bhalwal, District Jammu. Mrs. Suman Devi, Incharge Extension Unit along with 5 students from UG Department conducted the need analysis survey of the village as a part of their outreach initiative. The focus of the survey was to understand the needs of the community and design various development programs. The survey assessed the current state of affairs, identification of challenges and determine the most pressing needs of the villagers.

The present survey was carried out in Gharota village Tehsil Balwal, District Jammu, with the aim of getting an overview of the needs, problems & facilities available. The village is situated eight kilometers from Bhalwal Town. According to the survey, the village is spread over 2 k.m. area.

Population:-

Total population	Total numbers of Males	Total number of Females	Total numbers of House holds	Literacy Rate
1800	950	850	273	60%

Housing Status:-

All owned households have pucca houses with electricity and water facilities available.

Availability of Facilities in the village :-

- As far as the facilities of the area are concerned, the village leader revealed that they have sufficient supply of drinking water in the form of taps, tube-well, hand-pumps etc.
- Electricity is supply on regular basis in the area. There are permanent latrines in each households however the drainage system is open.
- Regarding the health facilities, there is a dispensary, a primary health center with in the village.
