Hello,

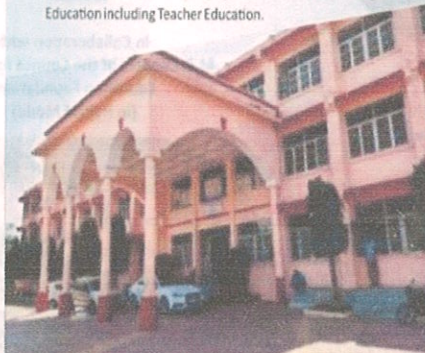

Greetings from Sri Guru Tegh Bahadur Khalsa College, Jabalpur. We are glad to announce that the college and the Council for Teacher Education Foundation (CTEF) M.P. Chapter, is hosting 37th Annual National Conference of the CTEF on 15th and 16th of March, 2024. The Conference in Hybrid Mode, is expected to have Eminent **30 participants** from across the world gathering together for a highly productive academic event. Do join us and **participate** in the academic deliberations at the Conference.

ABOUT THE COLLEGE

Sri Guru Tegh Bahadur Khalsa College believes in a holistic approach to education. It was founded in the year 1979 to serve the growing education needs of the student. It is a Minority Institution where academic excellence meets vibrant learning environment. College stands as a beacon of knowledge, offering a diverse range of degree program in the field of Education, Commerce, Management, Arts, Science and Law. The aim of the college is to provide unmatched quality education par excellence, to develop the best that is latent in students and to encourage them to explore and revel in the joy of learning.

ABOUT CTEF

Council for Teacher Education Foundation is a Non Government Organization (NGO). It is a leading professional organization of teachers ranging from Foundational to Higher Education including Teacher Education.

The Founder National President of this organization was Late Dr. Gulab Chaurasia, a renowned International Educationist, Teacher Educator and Administrator. The objective of CTEF is to develop teachers as competent, resourceful and skillful Teaching Professionals. This organization was established in 1985 and has grown over the years having 21 Indian Chapters and two Overseas Chapters with International status. All CTEF Chapters are taking tireless efforts to promote Educational Activities and for expansion of The Organization. CTEF conducts several National, International and State level Conferences, Seminars, Workshops and Faculty Development Programs. It also publishes Newsletters, Journals (having ISSN rating) and Quality Books on various aspects of Education and Research. Publications authored by Life Members of CTEF. Establishment of Indian Education Service (IES) is its cherished mission.

ABOUT THE CONFERENCE

This seminar provides a platform for Teachers/ Faculty to equip themselves with the necessary knowledge, skills and pedagogical techniques in the domain of teaching and learning. It also focuses on NEP-2020: A Transformative Education Policy, towards building a New Progressive and Self-reliant Bharat. The National Education Policy (NEP) 2020 is a comprehensive framework for the transformation of the education sector in India. The policy was approved by the Union Cabinet of India in July 2020, replacing the National Policy on Education 1986. The National Education Policy (NEP) 2020 is a landmark reform in the Indian education system, aiming to transform the landscape of learning and development.

SEMINAR**

MIER COLLEGE OF EDUCATION (AUTONOMOUS)

Recognized by the Govt. of J&K & Permanently Affiliated to the University of Jammu,
Accredited by NAAC with 'A+' Grade

Teacher presented seminars for benefit of teachers & students

For keeping both teachers and students informed about the latest developments in the field of education MIER College of Education organized teacher-presented seminars as a means of disseminating knowledge and insights. Through this collaborative effort between the institution, teachers, and students, the seminars contributed to a holistic understanding of the evolving field of education. This exposure equipped both teachers and students with the knowledge and tools to adapt to the changing educational landscape and contribute to its ongoing progress.

During these seminars, teachers presented a wide range of topics, such as use age of Moodle, open and digital learning, case study, pedagogical trends, skill development through OER and so on.

Moreover, these seminars often served as a platform for teachers to showcase their own research, innovations, and best practices. This not only empowered the teaching community but also inspired students to actively participate in the research and development of new educational approaches.
