**Report:** The Co-curricular Committee of the School of Education at MIER College of Education (Autonomous) organized the Annual Prize Distribution Function at its campus today to honour the student achievers in various categories. Prof. Rahul Gupta, Registrar, University of Jammu, was the chief guest on the occasion and Dr. Renu Gupta, Chairperson MIER, was the Guest of Honour. Prof. Adit Gupta, Director and Principal MIER College; Mrs Rupa Gupta, Jt. Director MIER; Prof. Moolraj, Controller of Examination, Prof. Rohnika Sharma, HoD SoE; Dr Monika Bajaj, HoD SSSH; Prof. Nishta Rana, Deputy HoD SoE; Mr B.L. Bhat, Astt. Registrar, IQAC team, faculty members, and students from the School of Education attended the programme.

The event commenced with a warm welcome by Prof. Adit Gupta, Director and Principal, who emphasized the significance of recognizing and encouraging exceptional achievements of students with a wide array of awards ranging from academic distinctions, co-curricular achievements and excellence in research. Prof Gupta also introduced the chief guest and briefed the audience on his achievements and accolades. He specially welcomed Prof. Rahul as an alumnus of Model Academy- the prestigious school of MIER.

The ceremony was marked by an atmosphere of pride and accomplishment, highlighting the commitment of the college to nurturing holistic development and fostering a culture of excellence among its students. The programme began with the College Tarana by the Rag group of the college. The following categories of awards were given to the students from the College of Education: Academic Achievement Award, Most Regular Student Award, Budding Researcher Award, Gender Champions Award, Best NSS Volunteer Award, Best Community Campaigner Award, Cocurricular Excellence Award, Eco-warrior Award, etc. The faculty members who developed Blended Learning Courses under the Commonwealth of Learning project were also facilitated by the EdTech Award.

Speaking on the occasion, Dr. Renu Gupta, Chairperson MIER, congratulated and blessed the achievers and said that MIER College continues to make strides in shaping the future leaders of tomorrow by fostering a holistic approach to education that not only focuses on academic achievements but also encourages personal growth and societal contributions. She said students were actively engaged in different activities as part of their curriculum experience, and that helped them in developing all-rounded personalities. She also acknowledged the achievement of the faculty members in developing MOOCs and having been awarded by the Commonwealth of Learning, Canada.

In his presidential remarks, Prof. Rahul Gupta congratulated the student achievers and faculty members for different awards. He emphasized that these rewards are a reflection of the use of technology, innovation and holistic development of the students. He highlighted that MIER College has, in a true sense, implemented NEP 2020 and is bridging the gap between theory and practice. Prof. Gupta said practical knowledge is more important than theoretical knowledge, which is crucial for stepping into the world of work. He also praised the infrastructure and use of educational technology at MIER College by the students and faculty members. A memento was presented to the chief guest as a token of appreciation.

Prof. Rohnika Sharma, HoD School of Education, presented a formal vote of thanks to the guests, achievers, faculty members and students on the occasion. The programme was well coordinated and compered by Mrs Komal Sharma, Convener, Co-curricular committee of the college.

**Teachers' Day Celebration-2023**

MIER College of Education and Model Academy School organized a grand celebration with great enthusiasm and ardency to commemorate Teachers' Day. The day commenced with paying floral tribute to Dr. Sarvepalli Radhakrishnan, former President of the country and a visionary educationist. This was followed by a series of cultural items presented by the students which included medley of songs, fusion dance, classical dance, captivating self-composed poems, foot tapping gidda and bhangra performances and skit highlighting the heart-warming relationship between a teacher and a student and their role in shaping the destiny of the nation. The event was graced Dr. Renu Gupta, Chairperson MIER. Dr. Adit Gupta, Director and Principal MIER College of Education, Mrs. Rupa Gupta, Jt. Director MIER, Mrs. Ruchika Gupta Jt. Director MIET, HoDs, Deputy HoD, and faculty members also attended the programme. Later during the day, an awareness session on mental health and fitness was held for the faculty of the institution in collaboration with Women Do Ride Club which is J&K's first cycling club. The club works for gender equality and bringing about positive changes in the society through cycling and other engagement activities. The resource persons for the session were Ms. Payal Jain, founder of the club, Dr. Ritu Ahal, Ms. Kanupriya Garg and Ms. Harsha Malhotra. Ms. Payal Jain, talked about emotional health issues that are caused by stress and anxiety both at the workplace and at home. She shared many real-life examples and experiences while explaining strategies to overcome them. Dr. Ritu Ahal explained the role of hormones in mental and physical health and provided hands-on solutions. Ms. Kanupriya Garg and Mrs. Harsha Malhotra focused on the role of yoga, its principles, and different aspects in achieving wellbeing. Dr. Renu Gupta congratulated the faculty members and expressed hope that the teachers will keep on enlightening the young minds. She expressed her gratitude to the resource persons for their contribution in organizing a meaningful session for the teachers on a pertinent topic. Dr. Adit Gupta appreciated the efforts of the students, who organized a scintillating programme in the honour of their teachers. Dr. Gupta said that a teacher has a multi-faceted personality and undertakes multi-dimensional roles. The function of a teacher, according to him, has not changed despite the way that technology has transformed the teaching and learning process. The programme was organized under the supervision of Mrs. Manju Vali, Mrs. Komal Sharma and Dr. Priya Choudhary, Convener and Member Co-Curriculum Committee

### Report

On March 22, 2024, a group of 20 students from MIER College visited the Government Middle School in the adopted village, Purkhoo, Domana, on the occasion of World Water Day. This visit was instrumental in introducing the government school's students to the idea of "Citizen Action for Water Conservation and Preservation." The event aimed to raise awareness among the school students about the importance of water conservation and encourage them to take action towards its preservation. Two students from MIER College conducted an informative session, educating the students about various methods and practices for water conservation.

Additionally, the management of MIER College donated a water purifier to the government school with the purpose of ensuring access to clean and safe drinking water for the students and staff, and to encourage better health and hygiene practices.

Mrs. Suman Gupta, In-charge Environment Unit, successfully organized the programme and formally thanked the Sarpanch, the principal and the students of Govt. School for their cooperation and support. Dr. Adit Gupta, Principal, MIER College, appreciated the efforts of the unit and said that such activities play a crucial role in educating the community about the importance of water conservation and preservation and to instill a sense of responsibility in the younger generation towards a sustainable future.

The Extension Unit of MIER College organized a program on the theme "Benefits of Ayushman Bharat Schemes" at its adopted village, Purkhoo, Jammu, on March 22, 2024. Led by Mrs. Suman Devi, 20 student members visited the village to spread awareness. Ms. Payal, a student in B.Ed. Special Education Semester I, warmly welcomed the Sarpanch, Panch, resource person, and the audience. Mr. Ketan Sharma, Common Service Center, State Health Agency, Jammu served as the resource person, elucidating the benefits of the Ayushman Bharat Schemes, particularly the Pradhan Mantri Jan Arogya Yojana (PM-JAY), the world's largest health assurance scheme. Under PM-JAY, families receive a health cover of up to 5 lakhs per year for secondary and tertiary care hospitalization, benefiting over 12 crore poor and vulnerable families. Mr. Sharma explained the cashless and paperless registration process and introduced the ABHA Card, facilitating cashless treatment and admission. Private and state government hospitals might also supply free treatment up to 5 lakhs under this application. The benefits of the scheme are portable across the country. Ms. Hitakshi, a student from B.Ed. Semester I, proposed a formal vote of thanks, while Mrs. Suman Devi expressed gratitude to all participants.

Dr. Adit Gupta, Director and Principal MIER College, commended the Unit's endeavours in fostering awareness about the benefits of Ayushman Bharat Schemes, highlighting the significance of these schemes among rural community

### Report

The Extension Unit and Environment unit of MIER College of Education (Autonomous) in collaboration with Jammu Municipal Cooperation organized a Swacchata Abhiyan at Purkhoo village on 6<sup>th</sup> November, 2023. The village has been adopted as part of the community development programme of the college. The college has always been at the forefront in undertaking ventures that can change the lives of the deprived sections to the challenges involved in sanitation and to make the environment safe and clean.

22 students from both SOE and SSSH and Mr. Anup Sharma, sanitary inspector and their 15 members of JMC participated in the event. The main aim of the cleanliness drive was to promote awareness regarding cleanliness and to dissuade people from open defecation. The students oriented the residents regarding waste management, segregation and disposal of waste along with the importance of personal hygiene.

Mrs. Suman Devi, Incharge Extension Unit, and Mrs. Suman Gupta, Incharge Environment Unit successfully organized the programme and formally thanked the Sarpanch and residents for their cooperation and support.

Dr. Adit Gupta, principal, MIER appreciated the efforts of the Units in conducting such pertinent activities for the community.

### Report

To celebrate the World Ozone day, the Environment Unit of MIER College organized a nukkad natak on the theme "A World without the Ozone layer" at Bahu Palaza, Jammu.

A group of about 35 student members of the college performed the nukkad natak. Through this natak, the students highlighted the importance of Ozone layer as it protects the earth from harmful ultraviolet rays from the sun. It demonstrated how the ozone layer shields the planet from the sun's dangerous ultraviolet rays, which can cause skin cancer in people. The ozone layer is located in the higher reaches of the stratosphere. The natak also emphasized several methods for preserving the ozone layer. The dramatization of this subject by the students was very effective in spreading awareness of the significance of the ozone layer in the community.

The locals thanked the students and the college's Environment unit for addressing this pressing issue, its causes, and enlightening the youth. Mrs. Suman Gupta expressed her gratitude to the audience and participants. Dr. Adit Gupta Principal, MIER College appreciated the efforts of the unit for spreading awareness among the community regarding the importance of Ozone Layer.

The Extension Unit of MIER College continues its commitment to community welfare by organizing an impactful Nukkad Natak (street play) centered around the critical theme of "AIDS and HIV" at its adopted village, Purkhoo, in Jammu. The event, held on 6th December 2023, was designed with a primary focus on spreading awareness about AIDS, emphasizing prevention measures, and combating the stigma associated with the disease. A group of about 26 student members of the unit, along with their In-charge Mrs. Suman Devi, visited the village.

Ms. Snober, a student B.Ed. Semester III, welcomed the Sarpanch, Panch, and audience. Through the Nukkad Natak, the student showcased the mindset of people towards AIDS and HIV patients, the psychological trauma of stigmatization and discrimination experienced by them. The performance showcased real-life scenarios, shedding light on the misconceptions surrounding AIDS, advocating for safe practices, and promoting empathy and support for those living with HIV/AIDS. They also highlighted the treatment options available and different medical schemes for such patients.

The villagers, along with Panch and Sarpanch, expressed their gratitude to the students and the Extension Unit of the college for taking up social causes and educating the youth. Ms. Bhavya, student B.Ed. Semester III, proposed a formal vote of thanks.

Dr. Adit Gupta, Principal MIER College, appreciated the efforts of the Unit in spreading awareness among the villagers regarding AIDS and HIV and said that providing an opportunity for villagers to come together, learn, and engage in discussions. Such endeavors contribute significantly to spreading awareness and fostering a more informed and supportive community.

To commemorate the Literacy Day, the Extension Unit of MIER College of Education (Autonomous) organized a guest lecture for its 4<sup>th</sup> Class employees at its premises. Mrs. Suman Devi In-charge Extension unit, extended a warm welcome to the resource person. Mr. Rahul Gupta Bank Manager, Punjab National Bank, MIER Branch was the resource person.

Mr. Rahul explained various modes of digital transactions and the use of different mobile applications like Google Pay, PAYTM, UPI, E Wallet, E banking etc. Additionally, He claimed that with the launch of UPI transactions, digital payments in India had made a significant advancement. However, he cautioned that scammers quickly adjusted and developed several strategies to trick customers, created forged virtual payment addresses for refunds, disaster support, etc. as well as false cash back offers and QR codes to deceive collect requests. He said there is no doubt that fraudsters are getting trickier with each passing day, but we must take precautions and security measures.

Ms. Alisha Vaid, student of 2<sup>nd</sup> semester, also explained the use of generic medicines. She said before purchasing the medicine, one should check the manufacturing and expiry date as well.

Ms. Niharika student of 2<sup>nd</sup> semester extended a formal vote of thanks. The event was organized under the supervision of Mrs. Suman Devi, Incharge Extension Unit

Dr. Adit Gupta Principal, MIER College also explained regarding Digital transactions and online frauds to 4<sup>th</sup> Class employees and he appreciated the efforts of the unit for spreading awareness among the 4<sup>th</sup> Class employees regarding digital transaction, Online frauds and Generic medicines.

### Report

The Extension Unit of MIER College of Education organized an awareness programme by conducting a guest lecture on the theme "Tuberculosis and its Precautions and Treatment" at its adopted village Purkhoo. The main aim of this programme was to develop awareness regarding tuberculosis and its devastating health, social and economic consequences, in addition to its preventive measures. Around 15 students from the School of Education, MCE, participated in the activity along with their incharge, Mrs. Suman Devi. Dr. Manju Bhat, medical officer at the Govt. Ayurvedic Hospital, was the resource person for the programme.

Dr. Manju Bhat comprehensively deliberated on the topic and explained that tuberculosis (TB) is a bacterial infection caused by Mycobacterium tuberculosis. It primarily affects the lungs but can also affect other parts of the body. TB is a contagious disease that spreads through the air when an infected person coughs or sneezes. Its causes, symptoms, types, precautions, and medication were briefly clarified. She also shared some preventive measures to reduce the risk of spreading TB among village people. In addition, Dr. Manju provided important guidelines and said that TB is not a lifelong infection and can be cured by eating healthy, taking regular medication and seeking professional guidance.

Ms. Mansi Verma, a B.Ed. student, also highlighted that it is a contagious disease caused by airborne bacteria and explained how people of different age groups can protect themselves from the infection.

Dr. Adit Gupta, Principal MIER College, appreciated the efforts of the unit and thanked the doctors for the successful organization of the awareness programme. ### Report

The Extension Unit of MIER College of Education (Autonomous) organized an awareness campaign in collaboration with the Ayush Department, Govt. Ayurvedic Hospital Jammu, on August 8, 2023 at MIER. The theme was "Millet Promotion and Anemia Screening". Dr. Shivani Padha and Dr. Amardeep Kour, Medical Officer, Govt. Ayurvedic Hospital, were the resource persons, along with their interns, namely Mr. Sudhir Singh, Mr. Adil Farooq Malik, Miss Ananya Rajput, Miss Anuradha Choudhary and Miss Parul, who helped in conducting the program.

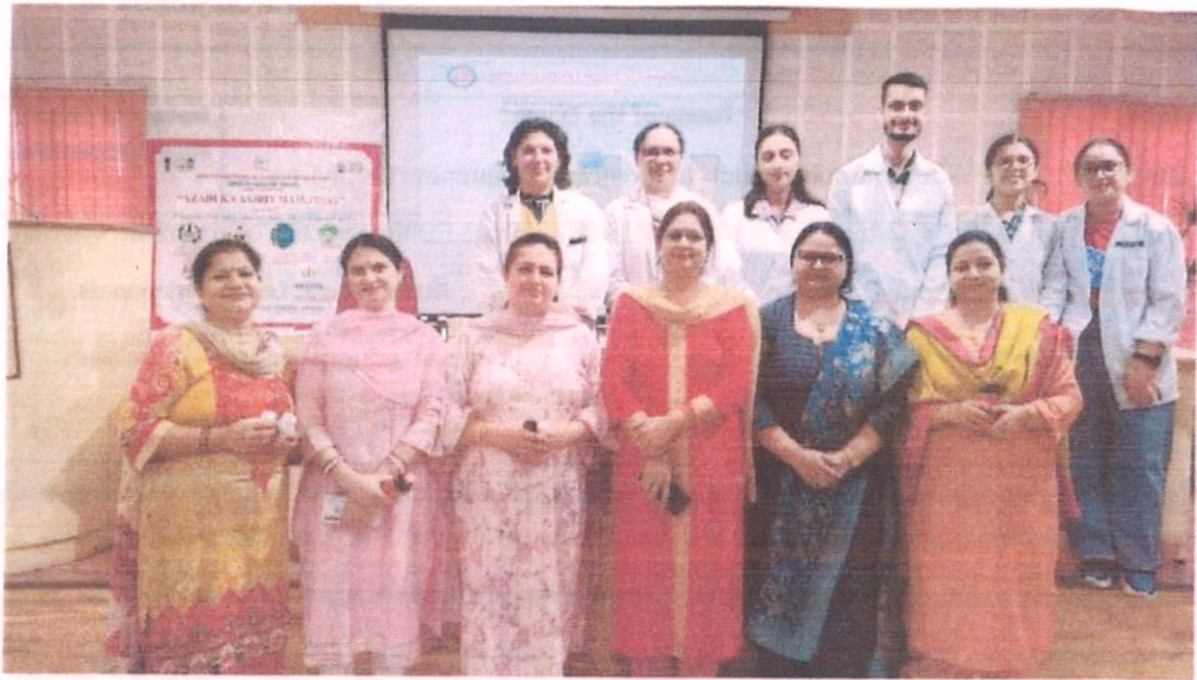

Around 80 students from School of Education and School of Social Sciences and Humanities, MCE, attended the awareness campaign. Dr. Shivani Padha, comprehensively deliberated upon the usage of millets in our diet, which could help in controlling and curing many non-communication diseases. Dr. Amardeep Kour, talked about anemia, its causes and remedial measures. She also shared information about various ayurvedic medicines and immunity boosters. Free medicines and immunity kits were distributed among the students, teachers and Class IV employees.

Earlier, Dr. Rohnika Sharma HOD, School of Education, formally welcomed the resource persons. Mrs. Suman Devi, Incharge, Extension Unit formally presented a formal vote of thanks.

Dr. Adit Gupta, Principal MIER College, appreciated the efforts of the unit and thanked the doctors and their medical team for the successful organization of the campaign and distribution of medicines.
