Report: To mark the momentous occasion of the 77th Independence Day, MIER College of Education organized a visit to Balidaan Stambh, Jammu. Around 31 students from the School of Education and the School of Social Sciences and Humanities of MIER College enthusiastically participated with flags in their hands and tricolour badges pinned on their shoulders.

Balidaan Stambh is India's first war memorial. Balidaan in Hindi means "Sacrifice" and Stambh means a "Pillar". It is a war memorial constructed by the Army to pay respect to the Army officers and Jawans who sacrificed their lives to protect the country during the 1947, 1965, 1971 and Kargil wars. Balidaan Stambh is a great architectural structure where the names of martyrs are engraved on the pillars.

During the visit, the students got the opportunity to witness the final parade rehearsal for Independence Day, paid homage to martyrs, read about war heroes and interacted with army officers who motivated the students to join the Indian army. The students' roared slogans filled with the spirit of patriotism and love for our country.

Principal, Dr. Adit Gupta appreciated the efforts of the committee and encouraged the students by saying that nationalism must be regarded as an ongoing process and not a oneday event, as it keeps all citizens connected to their cultural roots and country. The visit was conducted under the supervision of Mrs. Komal Sharma, Convener Co-curricular Committee, MIER College.

Educational Tour Report

Two days' Educational trip on (22nd and 23rd September 2022) was organized by Department of Special Education, MIER College of Education and Research BC Road Jammu. The aim behind the tour was to visit different educational institutions of Amritsar working in the field of Rehabilitation and Special Education.

Amritsar is economic capital of Punjab The City has been chosen as one of the heritage cities for HRIDAY scheme of the Government of India. Amritsar is home to Sri Harmandir Sahib, popularly known as "The Golden Temple," one of Sikhism religion's most spiritually significant and most-visited gurudwaras. The city is also known for Amritsar food, its wooden chessboards and chess pieces manufacturing industry.

All the students were directed to report at College gate at sharp 7:30AM. Students reported on time and the journey towards Amritsar was started at sharp 8: 00 AM. It took about 6 hours from BC Road Jammu on the way breakfast was also served to both students and faculty members.

Day one of the educational tour

We reached Guru Nanak Dev University Amritsar which was established at Amritsar on November 24, 1969 to mark the 500th birth anniversary of Sri Guru Nanak Dev Ji. It is both a residential and an affiliating university. In conceiving the future course of the University, the objectives enshrined in the Guru Nanak Dev University Act 1969, emphasised that the new University would make provision for imparting education and promoting research in the humanities, learned professions, sciences, especially of applied nature and technology. University Grants Commission has granted "Category One" status to Guru Nanak Dev University, the only university to get this elite status in the region of Punjab, Himachal Pradesh

and Chandigarh. Ours is a premier university of North India with a score of 3.51 on 4.00 scale of National Assessment and Accreditation Council (accredited at highest level i.e. A++ as per the new modified criteria) and it has also been conferred with the status of "University with Potential for Excellence" by UGC.

GNDU is among Top Ten "High Performing State Public Universities" across India by MHRD. GNDU is continuously improving its NIRF ranking for consecutive last four years by securing 51st positions in NIRF ranking in 2020. GNDU has increased its H- Index from 63rd position in 2017 to 107th position in 2020. The WEEK- Hansa Research Best University survey 2019 has placed Guru Nanak Dev University at 7th rank in North Zone Multi-Disciplinary Universities and at 14th rank in All India Multi-Disciplinary Universities.

Recently GNDU started courses in special education through its department of Education. Students of MIER College visited education department and Library of the university with the support of Sh. Sabjit Singh, System Administrator of Bhai Gurdas Central Library, GNDU, Amritsar and other associated faculty members warmly welcomed all of us. University Library has been named after the great Sikh Scholar Bhai Gurdas, who had the privilege of taking dictation from the reverend fifth Sikh Guru, Guru Arjan Dev Ji for the compilation of the holy scripture of the Sikhs, the ADI GRANTH. Bhai Gurdas Library was established in March 1970. The University library building is a marvel and a masterpiece of architecture. This building is five storied, inverted pyramid shaped magnificent building directly visible from the main gate of the university on the Grand Trunk Road. It is centrally located with teaching departments all around.

They took us to their library and oriented all the students about digital library software features and benefits. Students were briefed about Digital initiatives by GOI like E-Shod Sindhu, Shodhganga, Swayam etc. Further students were oriented about OPAC (Online Public Access Catalogue) Digital System. The library catalogue is searched by author, title, publisher, keyword and year of publication.

Followed by visit to the Department of Education at around 3:00 PM. Sh. Rampal, Asst. Prof. Deptt. of Education, GNDU, Amritsar received us and took us to the department. Students were

oriented about different practices and strategies used by the faculties there in GNDU. We visited the Resource Centre, Therapy Centre and HAD conversation with special educators regarding different challenges and practices. Further Prof. Amit Kauts, HOD gave a lecture on current emerging trends and practices and a question answer session was done. We left the University at 4:30 and started journey towards the hotel Alpine Inn for lunch and stay. We took lunch at 6 PM and as per the schedule the in charge faculties allotted rooms to students and advised them to take rest for some time and assemble at the hall at 7: 30 PM. All the students assembled at 7:30 and proceed towards the Golden Temple. Weather was wonderful students visited Golden Temple and had a lot of pleasure and exposure. As per instructions students assembled at 9: PM at given location and moved towards hotel where attendance of all students were taken which was followed by dinner at hotel.

Day two of the educational tour

All the students woke up early in the morning and had a breakfast. Students were instructed and oriented about day 2 plan. Students accompanied by in charge faculties started their day 2 journey towards All India Pingal Wara Charitable Trust, Amritsar. 95 years ago, a messiah named Ramji Das who later became Bhagat Puran Singh, came into this world. He started a movement which was totally new in conception. This was no easy task. For fourteen long years he carried a spastic child on his shoulders as they had no place to stay. This was a period of his baptism. He achieved godliness through his love for the human beings.

The journey was arduous and painful. But single handed, toiling day and night, in scorching heat and biting cold, in rains and thunderstorms, undeterred by adversaries, undaunted by criticism, he continued to pick up these wretched, dying, dirty, infectious creations of God from wherever they could be found.

Pingalwara is not an institution, it is a dynamic movement. Bhagat Ji did not lay down a number of pre-determined tasks: he propounded a philosophy which is the foundation of Pingalwara and covers the entire spectrum of social problems of our society.

We reached the **Pingalwara** at 10:30 AM. After getting entry we were welcomed by the Principal and trusty Member, Shri Rajbir Singh, All India Pingal Wara Charitable Trust,

Amritsar. Students were oriented about the history of Pingalwara and the life history of Bhagat Puran Singh ji, the founder of All India PingalWara Charitable Trust.

Further we visited different units of Pingal Wara viz Special School, Residential Home, Old Age Home, and Prosthetic center and therapy unit. All the students had a great exposure there. We left the Institute at 2:30 PM and moved towards bus. Due to rain and long distance we couldn't visit the Ibadat Special School so meanwhile looking at the weather condition we changed the plan and took the students towards the mall which was near to the institute we visited and took shelter there for some time. Students did shopping and lot of fun there. At 3:30 PM we assembled the students and moved towards Jammu. On the way we took lunch at hotel Chennai express at 4:30PM. After finishing the lunch, we all proceed our journey towards Jammu. We reached the destination (MIER) at 9:00 PM. All the students were received by their parents at college gate.

The faculty and students came back, rejuvenated and shared their experiences through a report in the form of reflective journal.
