### Report

The Alumni Committee of MIER College of Education organized a lecture on "Assessment Tools at Pre-School and School Level: MDPS and GLAD" as part of its ongoing efforts to foster collaboration between the college and its accomplished alumni. The aim of the initiative was to provide valuable insights to students enrolled in the B.Ed. Spl. Education (ID) Semester I, course titled 'Assessment and Identification of Needs' (Course Code 106). Mr. Ashish Anand, a distinguished alumnus from the 2012-2013 batch and a Special Educator at APS Jammu Cantt, delivered the lecture, sharing his expertise and experience in the field of special education.

Mr. Ashish Anand initiated the session by introducing himself and expressing gratitude for the opportunity to contribute to the academic development of the students. He emphasized the significance of assessment tools in the educational context, with a particular focus on the MDPS (Modified Developmental Profile Scale) and GLAD (Guided Language Acquisition Design) frameworks. Mr. Ashish Anand elaborated on the fundamental principles and methodologies underlying MDPS and GLAD, providing insightful examples, case studies, and practical insights derived from his professional experience in the field.

Throughout the lecture, Mr. Ashish Anand actively encouraged audience engagement and participation, creating an interactive learning environment. Students enthusiastically posed questions, seeking clarification on various aspects of the assessment tools and their implementation strategies. Mr. Ashish Anand adeptly addressed these queries, enriching the discourse and facilitating a deeper understanding of the subject matter.

The comprehensive coverage of the topic, combined with the practical insights shared by Mr. Ashish Anand, received high praise from attendees. Students expressed gratitude for the opportunity to learn from his expertise, indicating that the session significantly enhanced their understanding of assessment practices in special education.

### Report

The Alumni Committee of MIER College of Education organized an Alumni Interaction for students of B.Ed. and B.Ed. Special, Semester II of School of Education on 19<sup>th</sup> September, 2023 from 12.30 pm to 1.30 pm at Sh. H.L.Gupta Auditorium. Mr. Mukesh Sharma, Director and Principal, Bright Life School in Jodhpur, Rajasthan and Ms. Megavika, a Special Educator and the Founder of Blessings Intervention Center were the guest alumni on the interaction session. Prof. Adit Gupta, Principal and Director, MIER College of Education, Mrs. Rupa Gupta, Joint Director, MIER College of Education, Dr. Rohinika Sharma, HoD, School of Education, Dr. Monika Bajaj, HoD, School of social Sciences and Humanities, Dr. Nishta Rana, Dy. HoD, School of Education, Faculty Members and Students attended the session.

Mrs Arpana Koul, Incharge Alumni Committee extended a warm welcome and introduced the guest speakers.

Mr. Mukesh Sharma shared his entire experiences which were significant in shaping his competitive spirit and determination towards excellence. As an alumnus, he was eternally grateful to MIER institution for receiving numerous prizes, including several first prizes in intercollege competitions during his tenure in MIER. He also shared that he was being recognized as the best NSS Volunteer for the academic year 2014-15. He participated in various co-curricular activities, NSS camps, Cleanliness drive under clean India mission, various enlightening seminars, and knowledge-sharing sessions. He also focused on job opportunity after completing B.Ed., Traditional Career Options, New age career options.

Ms. Meghavika shared her thoughts and experiences as a special educator. Her journey in the field of Special Education began with a simple yet profound belief that every individual, regardless of their abilities or disabilities, deserves an education that empowers them to reach their fullest potential. In the realm of special education, we embrace diversity in its purest form.

We recognize that no two individuals are alike, and that's what makes our work so rewarding and challenging. Our role is not just to teach, but to inspire, to advocate, and to foster a sense of belonging for those who might often feel like outsiders. She emphasized the importance of inclusion. Inclusion is not just about placing students with disabilities in regular classrooms; it's about creating an environment where each student is valued for who they are and what they can contribute. It's about adapting our teaching methods and materials to meet the unique needs of every learner. She also shared memorable moments of her college days like participation in activities, about her teachers, college friends and other activities.

During the Question Answer Session both the Alumni speakers clears the doubts of the students and provided valuable insights for the successful completion of the programme.

Prof. Adit Gupta, Principal MIER College expressed his views that such Alumni meets would inspire and motivate the current students to attain high goals in both their personal and professional lives.

Dr. Behzad Maqbool, Member Alumni Committee presented a formal vote of thanks to the distinguished speakers and the audience. The programme was compered by Chavi, Student of B.Ed. Semester II.
